

**Your Aluminum
Powder Coating Partner
in the Turkish Area.**

During 2012 **Gema** became part of the **Graco Group**, a leading company in the production of components and fluid management systems.

In **January 2018**
Gema Switzerland GmbH
acquired
SAT (Surface Aluminum Technologies) S.r.l.

About

SAT S.R.L. is an Italian engineering company dedicated to designing, manufacturing and installing aluminum extrusions surface finishing equipment and packaging systems.

We provide vertical powder coating lines, the revolutionary CUBE Trevisan, vertical powder coating plants with integrated flash-anodizing pre- treatment, anodizing lines, wood effect decoration machines and packaging systems for aluminum profiles.

Effective January 8th 2018, GEMA Switzerland GmbH acquired SAT (Surface Aluminum Technologies) S.p.A., which is now part of the GRACO Inc. Group (NYSE: GGG). The acquisition represents a turning point towards a more global organization, to meet the expectations of our customers in all markets, and is the best opportunity for develop of new technological solutions in close collaboration with Gema, the market leader in the electrostatic powder application equipment.

SAT technologies

In SAT we have everything you need to powder coat your aluminum extrusions. We are the specialist of this kind of surface finishing application, we perfectly know the market and we've got several solutions to fulfill every customer's needs:

- 1) Cube Small
- 2) Cube Medium
- 3) Cube Large
- 4) Vertical Line High Productivity
- 5) Vertical Line High Flexibility

	LINE SPEED	MAX LENGTH	N° OF BOOTHS	TARGET CUSTOMERS
CUBE SMALL	1,0 m/min	8 meters	1	windows manufacturing companies, small/medium size job coaters
CUBE MEDIUM	1,5 m/min	8 meters	1	extrusions companies, medium size job coaters
CUBE LARGE	2,0 m/min	8 meters	1	extrusions companies
VERTICAL LINE HIGH FLEXIBILITY	2,0 m/min	9 meters	2 in parallel	very large windows manufacturing companies, extrusions companies, large job coaters
VERTICAL LINE HIGH PRODUCTIVITY	5,0 m/min	9 meters	2 in series	extrusions companies
